For Royal Berks Hospital
 Alight at Kings Road/Elton Road. Walk forward to corner of Eldon Road and turn left. Walk up Eldon Road and continue over traffic lights to Craven Road. Walk up Craven Road to hospital main entrance on the right.

Changes to the Park & Ride Service

Changes are being made to the Park & Ride service in order to provide a level of service which is sustainable in view of increased costs of provision and reductions in regular usage. The changes are:

- Earlier opening and first bus
- Later last bus
- Only the Park & Ride car park is used, not the Cinema side
- 15 minute frequency all day
- Additional stop in Market Place
- Fares were changed in October 2009 and new cheaper off peak & holiday fares introduced.

Parking at Loddon Bridge

Showcase Cinemas and Vinci Park welcome you to the Park & Ride car park which is open from 6.45am (8.00am on Saturdays) to 7.15pm.

Overnight parking is not permitted.

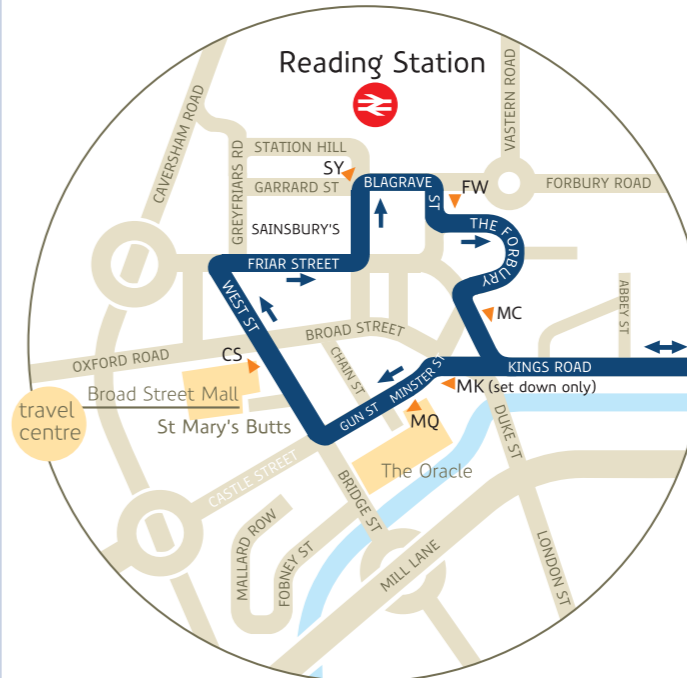

There are security staff and CCTV during the hours of opening, and more than 500 car park spaces. Please note that at Christmas and other busy times there may be changed parking arrangements and the car park may become full. Parking in the Cinema car park is not permitted and customers may be directed to the alternative Park & Ride service near M4 junction 11.

Loddon Bridge car park is located adjacent to the River Loddon and on rare occasions may flood. Customers can call the message line on 0118 989 2891 to check if the car park is closed. The car park will be closed upon receipt of a Floodwatch warning.

Parking is at owners risk at all times.

Please buy tickets on the bus, which covers the cost of car park provision and the bus ride.
